(例1) I feel a bit confused about the situation, for it can prevent crimes but can simultaneously threaten our privacy. Considering the present high crime rate, I am rather for using surveillance cameras as deterrent power against crimes.

(例2) I feel like pointing out the advantage and the disadvantage of using a surveillance camera. It can be useful for preventing crimes, but, at the same time, it can make us feel watched all the time. In the present society where crime rate is getting higher, setting surveillance cameras will do us more good than harm, I think.
